# About Conference

We are pleased to invite you to the **5th International Conference on Chemistry and Chemical Engineering (ICCCE 2026)**, scheduled as a hybrid event on **July 23–24, 2026**, in the beautiful city of **Vienna, Austria**, and **online**.

ICCCE-2026 offers a premier international platform to explore recent advancements, foster interdisciplinary collaborations, and promote innovative research in the field of materials science and engineering.

The program includes:

- Keynote and invited lectures with engaging Q&A sessions
- Research poster presentations
- Flash talks from emerging researchers
- A multidisciplinary agenda spanning materials chemistry, physics, and engineering applications

We warmly invite you to be part of ICCCE-2026, where cutting-edge research, collaboration, and innovation converge in one of Europe's most inspiring scientific hubs.
