

3rd International Conference on Cardiology and Cardiovascular Innovations July 21-22, 2026 Vienna, Austria	
DAY-1 (July 21)	
08:30-09:00	Registrations
09:00-9:30	Opening Remarks
Keynote/Plenary Session	
9:30-10:00	<i>Main Cardiac Histopathologic Alterations in the Acute Phase of Trypanosoma cruzi Infection in a Murine Model</i> Prof. Paz María Salazar Schettino , FACULTAD DE MEDICINA UNAM, Mexico
10:00-10:30	<i>Prognostic Significance of Beat-to-Beat T-Wave Amplitude Variability in Cardiovascular Diseases: A Narrative Review</i> Prof. Eiichi Watanabe ,Fujita Health University, Japan
10:30-11:00	Slot Available
11:00-11:20	Group Photo Refreshment Break @ foyer
Technical Session-I	
11:20-11:40	<i>Improving Door-to-ECG Time in Acute Myocardial Infarction: A Closed-Loop Audit from a Tertiary Care Center in Peshawar</i> Dr. Nazia Waheed , South Infirmary Victoria University Hospital, Ireland
11:40-12:00	<i>Global Standardized Guardrails for Cardiovascular Digital Therapeutics</i> Miss. Maria Palombini , IEEE, USA
12:00-12:20	<i>Vascular type Ehlers-Danlos syndrome with intra-abdominal hemorrhage due to ruptured hepatic aneurysm: A case report</i> Dr. MASAO TANAKA , Wakayama medical university , Japan
12:20-12:40	<i>Angiovac Percutaneous Aspiration of Aortic and Mitral Endocarditis</i> Dr. John C Lin , UCSF Health, USA
12:40-13:00	<i>Utility of Breath-Holding Time in Monitoring Acute Neuromuscular Respiratory Failure in Bulbar-Onset Myasthenia Gravis: A Case Report</i> Dr. Saboor Zulfiqar , University Hospitals Birmingham NHS Trust, UK
13:00-13:20	<i>Emerging Consensus in Corticosteroid Therapy for Severe Community-Acquired Pneumonia: A Two-Decade Evidence Review</i> Alejandro chapa-rodriguez ,cape fear valley medical center, USA

13:20- 14:00	Lunch @ Restaurant
	Poster Presentation
	Slot Available
Technical Session-II	
14:00-14:20	<i>Intermittent hypoxia leads to up-regulation of catecholamine synthesizing enzymes</i>
	Prof. Shin Takasawa , Nara Medical University, Japan
14:20- 14:40	COMPARATIVE EVALUATION OF DECAF AND BAP-65 SCORES IN PREDICTING OUTCOMES OF COPD EXACERBATIONS IN IN-PATIENTS AT VICENTE SOTTO MEMORIAL MEDICAL CENTER
	ALLANYS JOY Q. PINO, Vicente Sotto Memorial Medical Center, philippines
14:40-15:00	<i>hospitalized for gastroenteritis 10 years after introduction of rotavirus vaccination</i>
	Claujens Chastel MFOUTOU MAPANGUY, Fondation Congolaise pour la Recherche Madical, Cango
15:00-15:20	<i>Fabry Cardiomyopathy: Myocardial Fibrosis, Inflammation, and Down-Regulation of Mannose-6-Phosphate Receptors Cause Low Accessibility to Enzyme Replacement Therapy</i>
	Prof. Andrea Frustaci,National Hospital for Infectious Diseases L.Spallanzani, Italy
15:20-15:40	<i>Efficacy of Cardiac Myosin Inhibitors Mavacamten and Aficamten in Hypertrophic Cardiomyopathy: a Systematic Review and Meta-analysis of Randomised Controlled Trials</i>
	Dr. Ayesha Aman,King Edward Medical University, Pakistan
15:40-16:00	<i>Expression differences and relationships of endothelin-1,interleukin-6 and c-kit in hypertensive patients with and without depression</i>
	Prof. Bin Li, xianning central hospital, China
16:00-16:20	Refreshment Break @ foyer
16:20-16:40	<i>Stress Tests-Nothing to Stress About</i>
	Dr. Christina Leonard, Duke University School of Nursing - Durham, NC and Wakemed Health and Hospitals, USA
16:40-17:00	<i>Atrial Fibrillation Management in Inpatient Care: Evaluating Procedural Gaps and the Impact of Medical Therapy</i>
	Miss. Katie Scrivener , University of Galway, Ireland
17:00-17:20	Slot Available
Day-1 Concludes	
Pannel Discussions	

DAY-2 (July 22)	
Technical Session-I	
11:20-11:40	<i>Adapting Global Innovations to Local Realities: Advancing Pediatric Cardiac Surgery in Pakistan – Lessons from Austria</i> Dr. Zara Shirazi , National Institute Of Cardiovascular Diseases, Pakistan
11:40-12:00	<i>Identifying risk factors associated with the health-related quality of life for coronary heart diseases elderly using association rule</i> Dr. Yunwei Zhang , Shanghai Health Development Research Center, China
12:00-12:20	<i>Vascular type Ehlers-Danlos syndrome with intra-abdominal hemorrhage due to ruptured hepatic aneurysm: A case report</i> Dr. ying zhao , The Second Affiliated Hospital of Kunming Medical University , China
12:20-12:40	Slot Available
12:40-13:00	Slot Available
13:00-13:20	Slot Available
13:20- 14:00	Lunch @ Restaurant Poster Presentation
	Slot Available
	Slot Available
Technical Session-II	
14:00-14:20	<i>Asymptomatic functional biomarkers of vascular stiffness may contribute to increasing the effectiveness of primordial prevention of arterial hypertension.</i> Victor Nicolaevich Dorogovtsev , Federal Research and Clinical Center y, Russia
14:20- 14:40	<i>Analysis of the Determinants of Alcohol Consumption and Expenditure in Ecuador: An Econometric Analysis</i> Prof. Ricardo Yajamín-Villamarín , Value Health Economics Group, Ecuador
14:40-15:00	<i>Spontaneously Corrected Hypoplastic Left Heart: A Case Report and Exceptional Opportunity to Discuss Etiology with Novel Therapeutic Vision</i> <i>hospitalized for gastroenteritis 10 years after introduction of rotavirus vaccination</i>

	Dr. Mohsen Shahidi , kurdestan university of medical sciences, Iran
15:00-15:20	<i>Slot Available</i>
15:20-15:40	<i>Slot Available</i>
15:40-16:00	<i>Slot Available</i>
16:00-16:20	Refreshment Break @ foyer
16:20-16:40	<i>Slot Available</i>
16:40-17:00	<i>A Multimodality Imaging Evaluation of a Huge Postsurgical Cardiac Pseudoaneurysm</i>
	Dr. flavia nicoli , humanitas gavazzeni, Italy
17:00-17:20	<i>Vascular Memory: A Clinically Derived Model to Improve Hypertension Adherence and Prevent Community Misconceptions</i>
	Mark Paul Mayala , Burundi
17:20-17:40	<i>Slot Available</i>
17:40-18:00	<i>Hypertension among people living with HIV receiving dolutegravir-based antiretroviral therapy in Ethiopia: a cross-sectional study</i>
	Mr. Mohammed Jemal , Department of Biomedical Science, School of Medicine, Debre Markos University,Ethiopia
Closing remarks	
This is tentative agenda and subjected to changes. To book your slot, please reach us at cardio@unitedforum.uk
