LETTER FROM THE CEO & DIRECTOR UNITED RESEARCH FORUM

On behalf of United Research Forum, UK, we are delighted to announce the organization of the 4th International Conference on Pediatrics and Neonatal Care, to be held at the Van der Valk Hotel Paris CDG Airport from July 23–24, 2025.

Our goal is to provide an international platform where researchers and professionals from various fields of the health sector can come together to exchange ideas, discuss current trends, share research outcomes, and explore practical experiences.

We look forward to welcoming all of you to France and to hosting an exceptional meeting with distinguished scientists from around the world, sharing new and exciting developments across the diverse subjects covered by the conference.

We hope you enjoy your stay in France and encourage you to take this opportunity to explore the beautiful historical sites the country has to offer. Finally, I extend my best wishes for a successful and fruitful conference, and express sincere thanks to our partners and the organizing team for making this event possible.

A handwritten signature in black ink that reads "Dr. Vanga".

Sincerely,

Dr. Vanga
